OFFICE OF LEGISLATIVE COUNSEL

Monday - 8 May 1972

25X1 1. [] At the Director's request I called Senator Mike Gravel (D., Alaska) in response to his efforts to reach the Director and General Walters. Gravel said he wished to put someone in touch with the Agency who he thought we would find interesting [] 25X1

[]

25X1 2. [] Called Frank Slatinshek, House Armed Services Committee staff, regarding the appearance by Mr. Houston and me before the Nedzi Intelligence Subcommittee on classification and security problems. I said we had originally understood this was to be off the record and had included in our material a number of sensitive items. Slatinshek said apparently the Chairman wanted a record but it was entirely appropriate to go off the record on any sensitive matters.

25X1 3. [] Dorothy Fosdick, Staff Director of Senator Jackson's Subcommittee on National Security and International Operations, called to say Senator Jackson wanted a briefing on the intelligence reporting preceding the current North Vietnamese offensive--going back probably over the past year. I told her that all the experts in this field were heavily committed this week, but we would have somebody meet with the Senator at 10:30 Wednesday, 10 May, or at any other hour if the Senator desired.
